

Central States

**POLLED SHORTHORN
and SHORTHORN**

SALE

OCT. 10

1964

OSKALOOSA, IOWA

(SOUTHERN IOWA FAIRGROUNDS)

A Shorthorn or Polled Shorthorn cow herd is always a good investment. Shorthorn cows have healthier, huskier calves that gain quickly. How would you like to have a nice set of red calves like these on your farm?

THE CENTRAL STATES SALE

"Sale of the Money Makers"

OSKALOOSA, IOWA

SATURDAY, OCTOBER 10th

11 BULLS

22 FEMALES

30 CLUB CALVES

There is a reason why this sale has become known as "The Sale of the Money Makers." It is because the Central States Shorthorns and Polled Shorthorns are offered in "working" condition . . . ready to go into your herd and make money. You are not paying for fancy dress but for bulls and females in strong breeding condition and of dependable bloodlines. Be sure to attend this sale.

A few of the good cows and calves in the Braywood Farms' herd, Oskaloosa, consignors of three females and a choice group of club calves.

GENERAL INFORMATION

TIME — Sale will be held Saturday, October 10. Sale will start at 12:30 p.m.

LOCATION — Southern Iowa Fairgrounds, northwest section of Oskaloosa, close to primary road 92 and 163.

TERMS — Terms of this sale are cash unless other arrangements have been made with consignor from which you purchase and the sale manager is notified.

GUARANTEE — All cattle are sold subject to a 60-day re-test for tuberculosis if kept isolated, unless going into a Federal Accredited herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for tuberculosis unless they come from an accredited herd. The cattle have been tested for Bangs within 30 days or have been calfhood vaccinated unless otherwise stated.

Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller, and, if after a test in the seller's herd he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of the sale are guaranteed to be breeders. Heifers should not be served by old or heavy bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

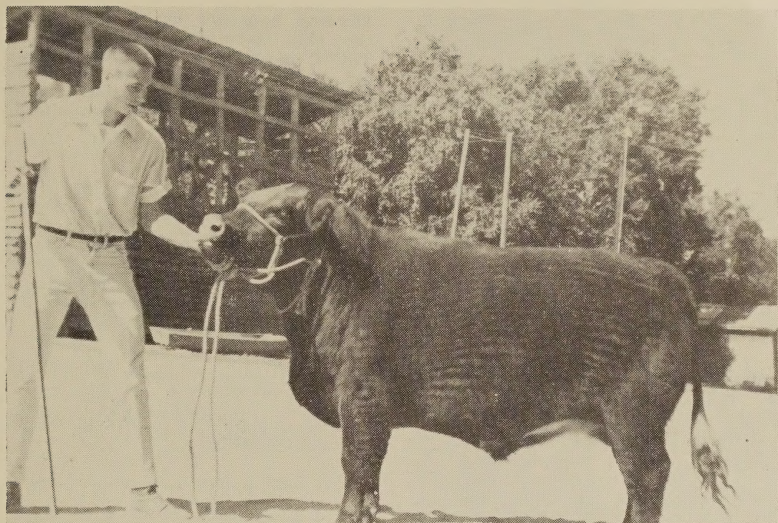

LIABILITY — Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, ringmen, or sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle or the condition of the premises and they will accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the seller accept any liability for injuries that may occur. All persons attend this sale at their own risk.

LUNCH — Lunch will be served on the grounds by the ladies of the Central Reform Church.

AUCTIONEERS — Tom Sherlock, Harvey Neiderhisar, and Adrian Meierotto.

SALE MANAGER — Bill Stunkel, 1228 N. Nye Ave., Fremont, Nebr.

REGISTRATION CERTIFICATE — A certificate of registry will be furnished with each registered lot and will be transferred to the buyer without cost to him. Application for registry, properly signed, will be furnished with each calf sold beside its dam and for each unborn calf sold in dam.

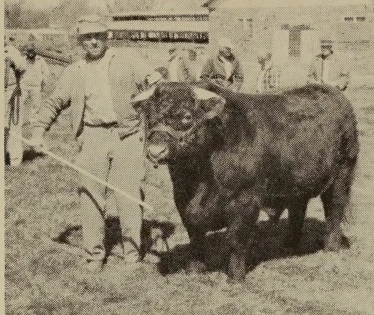

Ed LaGrange, Amana, Iowa, with his Iowa County Fair champion Shorthorn steer. A son of Royal Talisman 8th, he was purchased in the Central States Sale from Braywood Farms. Calves of this same stamp will feature this year's sale.

30 CLUB CALVES . . .

We have promises for nearly 30 steer and heifer calves suitable for 4-H and FFA work. These calves are being consigned by reputation herds and are sired by reputation bulls.

So far this year reports have indicated that calves produced by Central States consignors (many of them selling in this sale) have won . . . reserve interbreed steer championship at Cedar County Fair (Don Johnson calf); reserve interbreed steer championship at West Liberty 4-H Fair (E. G. Bell calf); reserve interbreed championship at the Southern Iowa Fair (Braywood Farms calf); champion Shorthorn at the Appanoose County Fair (Braywood Farms calf purchased at Central States Sale last fall for \$160); reserve interbreed champion steer at Marion County Fair (both sire and dam of this calf were purchased in Central States Sales . . . sire from Lloyd Burr for \$290 and dam from Wayne Farnum for \$140). There are undoubtedly other wins.

Until further notice, the owner of any Shorthorn or Polled Shorthorn club steer or club heifer purchased in a Central States sale which wins a breed championship in any 4-H or FFA show will, upon notification of association secretary Mrs. Wayne Farnum, Victor, receive \$10 from the Central States Association.

Omer Seitsinger, Rose Hill, holds his champion bull at the 1963 spring Central States sale. He sold for \$440 to Harold Robison, Corydon, Ia.

The late A. P. Lyon and Kenny Parsons pose with Lyon's champion female at the 1963 spring sale.

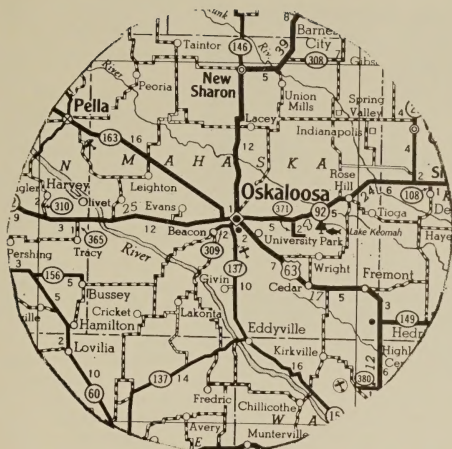

Don Penningroth with the first-prize pair at the 1963 Central States spring sale. This pair also won the reserve champion bull and reserve champion female award.

Pictured here are the champions at the 1963 Oskaloosa spring sale. — This is a sale where farmers, breeders, and 4-H members can buy well-bred, quality Shorthorns and Polled Shorthorns at prices they can afford.

INDEX TO CONSIGNORS

Rose Hill, Iowa	

In addition we will have calf consignments from some of the above consignors plus **Adrian & Leo Meierotto, West Point; Donald Johnson, Iowa City; Joe LaGrange & Sons, Amana;** and others.

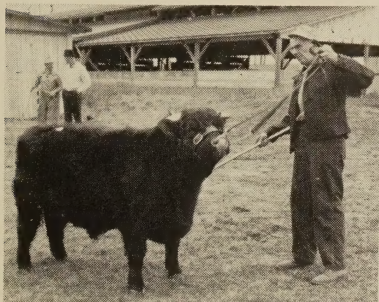

ALL ROADS LEAD TO OSKALOOSA

... and the sale of
"Money Making"
Shorthorns and
Polled Shorthorns.

This is a good time to get into the Shorthorn business. Demand for Shorthorn club calves has never been better . . . the breed cannot begin to supply the demand for bulls for crossbreeding. This sale is the place to get your start.

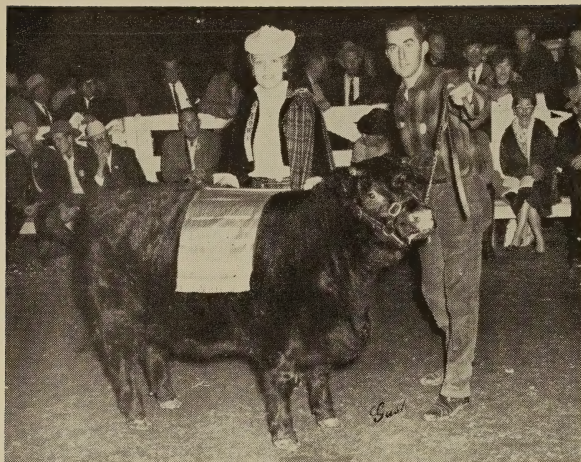

On Friday evening, October 9th, at 6:30 p.m., breeders will meet at Molly's Cafe (the former Sale Inn) located in the northwest corner of town near the Lisk Sale Barn. Join us for supper and the business meeting.

Another example of the soggy, quality bulls that sell at Oskaloosa. This bull was the reserve champion at last April's Central States Sale.

Wayne Carr of Cincinnati, holds his champion at last April's sale. This heifer sold for \$300 but was resold, several months later, by the new owner for \$1,000.

BARBARIAN NONPAREIL

Reserve junior
champion female
at the 1963
International.

Grand champion
at the 1963 Iowa
State Fair and
All-Iowa Fair.

She is by the
same sire as Lot
1. Another
Barbarian heifer
was grand
champion at this
year's Colorado
State Fair for
Bill Sherrod,
Steamboat
Springs.

SHORTHORNS OUT-PERFORM OTHER BREEDS

For the fourth year, Shorthorns have topped the Kentucky Performance Tests. Shorthorns led blacks and whitefaces in average daily gains, adjusted average daily gains, type score, index value and weight for each day of age. Is it any wonder that more and more practical minded cattlemen are turning to Shorthorn and Polled Shorthorn bulls to put greater, more economical gains on their calf crops and to take advantage of the breed's natural disease resistance and vigor.

Would like to keep this Gaven-bred heifer in the herd but the herd bulls are closely related to her. She is sired by B & B Rangers Wonder, the sire of the reserve grand champion steer shown by Donny Ruess in the big West Liberty 1964 4-H show. Her dam is also the dam of the Junior Herd bull, B & B Ranger's Patrol 2nd. She is a thick, smooth heifer and shows promise of maturing into an outstanding brood cow. Calfhood vaccinated.

SCOTTISH MAID 7th — This heifer will make a 4-H or FFA boy or girl a promising show prospect for 1965. Calfhood vaccinated for bangs.

WHY USE SHORTHORN BULLS ?

John Catron, Camp Crook, South Dakota, turned a Shorthorn, a Polled Hereford, and an Angus bull with 120 cows. One hundred calves resulted. Catron did not guess — he weighed the calves.

THE BOX SCORE

Sire	No. Calves	Av. Weaning Weight	Total Pounds
Shorthorn	47	330 lbs.	15,510
Hereford	34	306 lbs.	10,404
Angus	24	313 lbs.	7,512

John Catron, just like you, Mr. Cattleman, was interested in production of total pounds of quality meat. That's why he now is convinced of the advantages and reliability of Shorthorns. You, too, can harvest this kind of a crop by using Shorthorns.
